

TRAINING ON RESEARCH & EVALUATION

TUESDAY 15 - WEDNESDAY 16 AUGUST 2017

UNUM CENTER
BISHKEK, KYRGYZSTAN

+ Outcomes

Mastery of basic skills in Research and Evaluation on social impact.

+ Facilitator

2 experts; between them 50 years of cumulative practical experience

+ Audience

You are a researcher seeking to become fluent in research methods, or an international aid manager, or a community relations manager for an oil and gas company or consultant who wants to build your evaluation approach on sound research and team design.

+ Learning outcomes

You will gain greater clarity of the purpose and objectives of research and evaluation, and of the principal challenges of doing this work. A better understanding about how to select your evaluation questions, and of the most relevant frameworks against which assistance should be evaluated. A practical approach to planning, designing, implementing and following through on evaluations and field research.

EMERY BRUSSET

Mr Brusset specialises in the evaluation of social development interventions, with a focus on social development. After a brief career in UN humanitarian missions Mr Brusset became an independent impact evaluation consultant in 1994, working for Governments, the UN and social assessments for the private sector (primarily oil and gas, mining). He has participated in 82 evaluation assignments, has published on the subject in peer reviewed publications, and facilitated many training courses. see more in the following link: <https://www.linkedin.com/in/emery-brusset-3526781/>

AIJARKYN KOJOBKOVA

Dr. Aijarkyn Kojobekova is a renowned academic who worked on research for the Open Society Institute, UNDP, UN Women, IFES, Aigine Cultural Research Center and the University of Tuebingen (Germany). She worked as an expert in the following research projects: "Gender in Society Perceptions Study" (UN Women). see more in the following link: <https://www.linkedin.com/in/aijarkyn-kojobekova-aaab20a/>
